## Christmas to Calvary

How can we truly understand Christmas without Calvary? How can we recon Calvary without His Crown? The Hand of God, which knits humanity in her mother's womb, had to be held in a crowd, nailed to a cross, and will embrace us in eternity. The very breath that spoke life into motion cried in a manger, shouted "it is finished," congratulates His faithful servants, and condemns those whom He never knew.

On December 11 & 13, surrounding communities joined with 27 cast members from many local churches to journey from Bethlehem's manger to Golgotha's hill, from Golgotha's Hill to an empty tomb, and from an empty tomb to a Throne that sorts eternity. This 150-minute production incorporated wagon rides, live animals, live acting, narration, communion, live worship, and so much more.

Following both events, cast members and guests fellowshiped for hours over a meal and cocoa; discussing the scenes that most moved their hearts.

Lord, thank You for stepping out of heaven to hang on a cross so that I may be blameless before Your throne! All praise and honor and glory is Yours forevermore.

# Turkey Bowl & Friendsgiving

Acts 2:42 "They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer." This year, CSS has a great deal for which we can be thankful. Our team has doubled with the addition of Jesse & Kassia; we have expanded our programming from one week in the summer to three weeks plus events throughout the year; The Lord has met every financial need; additional elders have answered the call to serve on the Board; we have launched a new cyber space and revamped social media; we have begun construction on a two-lane road; we have seen children, teens, and adults get saved and baptized. This list could go on forever! Friendsgiving is designed to celebrate God's work with those who have played a role throughout the year.

Ministry partners, campers, and the CSS staff came together in Thunder Lodge for a feast after an afternoon of football and fun. The Turkey Bowl was decided by a failed fourth-down attempt for a final score of 39-35.

While dessert was being served, Beth Farmer and Jesse Owens shared their praise for God's working in 2025, and cast the vision to our camp family for 2026. The Lord has placed ambitious goals on our hearts for the coming year, and our team commissioned all of our partners to join us in prayer.

Our founder, Doug Farmer, determined that no man, woman, or child would ever miss camp due to insufficient funds. 44 years later, CSS scholarships thousands of dollars every year to ensure the Word of God reaches His precious children. This is made possible by His constant provision through

generous partners from around the country. Please consider partnering with us as we have stepped out in faith this year by expanding our staff and programming to reach more souls with the love of Christ.

## Project Pathway

In December, CSS launched a campaign to raise \$50,000 toward the gravel necessary to complete Project Pathway. We are excited to share how God has been responding to that prayer in our next edition of Camp Connect.

Our Campus Manager, Wayne Eudy has continued to clear and excavate the path from Thunder Lodge to beyond the Athletic Field. The progress is extraordinary considering the machinery he has available. If you, or someone you know, has heavy machinery that could be used for this project, please contact the camp.
